

How to Recycle in

Recycling is collected in Lauderdale every week on Monday. Due to holidays, collection will be delayed until Tuesday on the following weeks:

- Tuesday, May 26, 2020
- Tuesday, September 5, 2020

Wheel your recycling cart to the edge of the curb or alley by 7am every Monday (or the night before) so the lid opens facing the street or alley. Please make sure to leave two feet of space all the way around your cart to allow us to collect it safely with our automatic trucks- do not place your cart right next to a fence, garage, trash cart, or any other object.
