

# RECYCLE

Recycle correctly from the start & make sure it goes in your cart.

Make sure what you put in your bin is actually recyclable! Check out Eureka Recycling's free app to learn more about what is recyclable in the Twin Cities. Just search **Eureka Recycling** in your iOS or Android store.

Flatten cardboard but leave your cans and cartons un-crushed to ensure everything gets where it's supposed to go. To find out more about how your recycling gets sorted visit [www.eurekarecycling.org/our-recycling-facility](http://www.eurekarecycling.org/our-recycling-facility) and watch "Story of a Cereal Box."

Keep plastic bags, batteries, and propane tanks out of your recycling bin. Check with your local county for info on disposing of hard to recycle items like: scrap metal and appliances, hazardous waste, electronics and batteries.

Bored at home? Do you have kids that need some new activities? Look no further! With Ready, Set, Sort, they'll have fun learning about our recycling program and what is recyclable or compostable. Sort materials correctly and win fun items to build your own digital park! Download the Eureka Recycling app or visit our website to play! [www.eurekarecycling.org](http://www.eurekarecycling.org).

# How to Recycle in

Recycling is collected in Lauderdale every week on Monday. Due to holidays, collection will be delayed until Tuesday on the following weeks:

- Tuesday, June 1, 2021
- Tuesday, September 7, 2021

Wheel your recycling cart to the edge of the curb or alley by 7am every Monday (or the night before) so the lid opens facing the street or alley. Please make sure to leave two feet of space all the way around your cart to allow us to collect it safely with our automatic trucks- do not place your cart right next to a fence, garage, trash cart, or any other object.
